Public Participation Policy

Approved on: 8/5/2022

In an effort to conduct the business of the Norwood Housing Authority, NHA, and to maintain an orderly meeting in compliance with open meeting laws, the NHA has established a protocol to allow Public Participation. Public Participation is the opportunity for citizens and residents to express their views to the NHA Board on matters within the Board's jurisdiction.

Anyone wishing to present during public participation must complete the required form on the NHA website (also located at the Administrative Offices) and must submit the completed form along with any supporting data to the NHA by 4:00 PM on Thursday, one week prior to the next regularly scheduled board meeting. If deemed appropriate business for the NHA, the Chairperson will add the presenter to the board meeting agenda which is posted publicly on the Monday leading into the regularly scheduled board meeting.

No one will be allowed to present before the NHA board without completing and submitting the required form unless the situation is urgent or emergent in nature as determined by the Chair person.

During Public Participation, participants can expect an opportunity to share their statements without interruption, as long as the manner of speech is within NHA Board meeting guidelines. Public Participation will not include a dialog with Commissioners and there will be no comments from Commissioners during Public Participation. If a speaker wishes to have further discussion, information or comments, the board will take notes and make every effort to respond to the individual after the meeting.

The following are the procedures for anyone interested in speaking:

- Speaker must state your full name and address before addressing the Board
- Speaker must speak as an individual or as a representative of a group. If the speaker is representing a group, please indicate the group by name, and state the nature of your involvement.
- The time limit will be 5 minutes for each speaker. Requests for more time may be made before the meeting to the Board Chair. These requests must be in writing or by email.
- Public Participation at Board meetings will be determined by how many people wish to speak but will not exceed 15 minutes (unless commissioners vote to extend it on a meeting-by-meeting basis)
- All remarks will be addressed to the Chair
- All remarks must be addressed appropriately, and must avoid insulting or inflammatory language
- Notes will be taken of the content of Public Participation with responses provided at a later date (if necessary)
- Written comments/ letters may also be submitted to the Commissioners
- Speakers who need assistance contributing comments can notify the board prior to the meeting and request the ADA representative for our area, if that is applicable.
